

WHERE ARE WE?

4 Lombard Street
London
EC3V 9HD

We are opposite 'Bank' underground station, using Exit 5, across the road. We are the entrance next to the archway.

Also in close proximity to the office are underground stations; 'Monument', and 'Cannon Street' both approximately 0.2 miles away (5 minute walk)

Please advise the reception of your appointment with 'Everfair Tax' and someone will come to collect you.

WHAT SHOULD YOU BRING?

If this is your first meeting with Everfair Tax Consulting, please could you bring the following documents with you:

- Photographic ID (Passport/UK Driving licence)
- Your most recent electricity bill, as proof of address
- Your National Insurance number (NINO) and unique tax reference (UTR) number (if applicable)

This will allow us to take copies, which we can then certify to say we have seen the original. This is required as part of the engagement process, for money laundering purposes.

HOW CAN YOU CONTACT US?

You can call us on 01932 320800 if you are lost, delayed or need to reschedule. You can alternatively email anna.young@everfairtax.co.uk.
